**IT IS HEREBY ORDERED** that the Request to Seal the medical records and release plan in Ms. Chaney's case be granted so that the private medical information is not available on the public docket. The Exhibits are to be provided to the Court and opposing counsel.

The Court has considered the factors set forth in *Oregonian Publishing Co. v. U.S. District Court for the District of Oregon*, 920 F.2d 1462 (9th Cir. 1990). The Court finds that, for the reasons stated in Defendant's Request, sealing Defendant's exhibits serves a compelling interest. The Court further finds that, in the absence of closure, the compelling interests identified by Defendant would be harmed. In light of the public filing of its Notice to Seal, the Court further finds that there are no additional alternatives to sealing Defendant's exhibits that would adequately protect the compelling interests identified by Defendant.
